

Dinner Workshop for GPs

Treating Anxiety and Depression in Young People in Partnership

In this interactive workshop, acclaimed Psychiatrist Associate Professor Mat Coleman will present the latest in recommended treatments.

Representatives from local community mental health providers, including headspace and the new youth mental health service at St John of God Murdoch, will be on hand to answer questions about what they offer and what makes for a good referral.

Enjoy a complimentary three course dinner with drinks overlooking the swan river.

Venue:

The Bluewater Grill, Applecross

Event time:

June 30th, 6pm to 9pm
