

Accommodation, Food & Social Support. Cockburn, Fremantle, and Melville

Imagined Futures

The Imagined Futures Housing and Homelessness Group, which consists of a range of specialist homelessness services, community housing providers, health and other community services, along with local and state government agencies and sector peak bodies, works collectively in the local community to support a strategic place-based approach to ending homelessness.

The Imagined Futures partnership has a proven track record of working collaboratively in a way that goes beyond information exchange to testing new ways of doing things.
